LET'S GET STARTED

## STEP 2: *Register your child/dependent.*

Did your provider give you a PIN?

**Click "NO"**

Who are you registering?

Since you don't have a PIN, some features and information might not show up in your Patient Portal. When your practice authenticates your account, you can then enjoy all the features of the portal including your personal health information.

**Make sure to register your child, not yourself!**

# STEP 3: *Input your child's information*

## Child or Dependent

Please provide the following information about the **child or dependent**.

Child or Dependent First Name
